## God Heals Deep Wounds Through CBSI’s Loving Fellowship

April 2011

Dear Ministry Partner,

With your help, God has changed a life and abundantly blessed a marriage. Born and raised in poverty and dysfunctional family life in the Philippines, Katryna turned youthful anger and pain into motivation. She became a physical therapist, graduating with honors, and began working in a Manila hospital. Professionally she did well, but inwardly she was plagued with bitterness.

Then the Lord brought Leah, a special patient, into her care. Leah had asked for the hospital’s best therapist to address aggravating shoulder pain. As Katryna brought relief to Leah’s body, God used Leah to awaken Katryna to the meaning of the Bible and assure her that God would answer her deepest longings in Christ. When Katryna visited the CBSI class Leah attended, she entered a community of loving women who led by example.

As the founder of CBSI in the Philippines, Leah (top photo, 4th from left), knew how encouraging such fellowship could be. In time, God helped Katryna overcome feelings of rejection and insecurity she had carried within since childhood. She came to faith in Christ, and He has transformed her life.

“That class in Manila was wonderful,” says Kevin, Katryna’s husband. “Young women who lack encouragement and faith learn much from being surrounded by women who love Jesus and live in a consistent walk with the Lord. We thank all the women of CBSI. You have inspired us to share God’s message of redemption and blessing!”

Thanks for your prayers and financial support. God uses these resources in our ministry to lift people into a relationship with Him, the ultimate therapy for hurting souls – praise His name!

Will you continue your support?

We value it and treasure you!

*God used His Word and the loving fellowship of CBSI to bring Katryna to faith and dissipate bitterness she had carried from childhood. She and her husband, Kevin, are deeply grateful.*
