## Meet your New Calebs

"We are very excited to be able to introduce ourselves as the new Calebs responsible for CBSI work in Rwanda. Last June I had an opportunity to visit Rwanda and assist Maury Kapsner in training 35 Pastors in the use of CBSI materials. The people of Rwanda captured my heart and I returned and shared my passion for the people with Debbie. We went to CBSI Caleb training in November and are going to be traveling back to Rwanda in June to encourage, train and support the amazing ministry God has launched under the direction of Reverend Agnes of the Anglican Church.

We look forward to being able to share with you, and will continue to keep you updated on how the Holy Spirit continues to work in the hearts of the people of Rwanda.

Our vision for Rwanda is to be able to put together a core group of 100-120 individuals who would be faithful contributors in supporting Rwanda in prayer and financial contributions. If you are willing to be part of this team and receive updates by email, please contact us. We would love to hear from you."

## Prayer Requests

Prayers for Reverend Agnes and her continued leadership as National Director.

Pray for Pastor Eson who is the Executive Director of the Evangelical Free Church of Rwanda. Reverend Agnes trained 60 pastors in Kigali in January and they have started 35 classes with over 500 participants.

Pray for Theresa, who is now fully overseeing the coordination of materials and follow-up visits to all classes.

## Testimonies from Rwanda

"I grew up in a family that worshipped the spirits of the dead. We made shrines and made animal sacrifices. I came to Bible Study and met Jesus and came out of the darkness into His light and now am free. I've destroyed the shrines and I am ready to die today knowing I will be in heaven with Jesus. "

Man, 50 years old

"Thank you for your prayers. I took Kevin (her son) in another hospital they treated him and he is improving. Thank you and keep on putting us in your prayers. We commit to serve day and night while fishing people for the Lord. We pray that the Lord will count all the fished souls to all of us and indeed he will reward us. Send our greeting to all."

Reverend Agnes

The Holy Spirit is alive in the hearts of our friends in Africa!

*"Because of the service by which you have proved yourselves, men will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else."*
