Everyone in the world... in the Word

Mission Statement

To make disciples of the Lord Jesus Christ in our communities through caring, in-depth Bible study, available to all.

Community Bible Study International

Everyone in the world ... in the Word.

Community Bible Study began classes in England, Canada and Peru in 1979. By 1986, there were many more requests for CBS courses overseas. Realizing that God had a great plan in mind, Community Bible Study International (CBSI) was incorporated as a separate ministry in 1994, dedicated to making disciples for Christ around the world. Today, CBSI is the international arm and part of the family of ministries under Community Bible Study. CBS provides Bible study materials and teaching aids to CBSI that are then translated and provided for use on all 5 continents. CBS is pleased to support CBSI in its mission to get "everyone in the world, in the Word."

Across the Region of North and Central America, and the islands of the Caribbean, Community Bible Study International is now reaching well over 4,000 people in over 100 Bible studies, working in 17 countries.

In the United States, CBS International's foreign language materials are available to help those who would like to start a Bible study in their native language.

Today...

In Community Bible Study International, our classes are much more than classes of people studying the Word. They are in fact, "communities of faith". We regularly see dramatic changes take place in the lives of people who commit themselves to a disciplined study of the Word.

At the head of our name is the bold proclamation that "community" is important to us. The process of making disciples is lived out in the context of communities of faith. It is in community we are encouraged, nurtured and held accountable to live out what we have studied and what we say we believe. Bible study is the foundation of the pursuit of righteousness and holiness, but discipleship happens best in the context of community.

Our communities also provide a place of personal encouragement for people to fellowship with others who speak the same heart language. For people whose first language is not English, to assemble together regularly and study in their heart language is a wonderful experience.

We invite you to meet new friends and join with others in a caring community in regular, disciplined, weekly Bible study.
