April 2010

OKAY, LORD, YOU BROUGHT ME HERE AND I TRUST YOU'RE GOING TO GET ME OUT OF THIS SITUATION!

This was February 11 when I was on my way to Georgetown in Guyana. We had a 5 hrs bus from Suriname there. The bus broke and we were stuck in the middle of the road hoping for someone to come and help us. Well, finally they brought a new bus and a new driver to take us to the place where we're taking a ferry to Georgetown.

I was traveling with Rachel Stakel, a young lady from Suriname who offered to be my guide during the whole trip and I praise the Lord for her help.

Once we got to Georgetown we stayed with Pastor Ellsworth Williams and his wife Carmen.

Was it worth it to go through so much hardship on the way there? Yes!!! I had the opportunity to train leaders there and to work with Pastor Williams to make sure he and Carmen would know what to do after I left. And they caught the vision because this month they have started about 12 new CBSI Bible studies in that area!

Praise God they had a bus to keep us on the road!

In March I made a trip to Santo Andre, Brazil and trained 24 people!

"I saw your Bible Studies in the internet; can you come and help us to be able to have them for our area?"

These were the words of a leader there who was very interested in starting a CBSI class in his area.

Well, I went to help him and it was a blessing. We also had an American missionary who took a bus all night to be with us so he could be trained and take CBSI for his city.

I'm so glad I went because we trained people from 3 different denominations (Pentecostal, Baptist and Presbyterian) who were interested in a good Bible study to help them and others to grow in the knowledge of the Gospel.

On the left is Venancio da Silva, the Brazilian who asked me to come and train them.

On the right is George Harmon the missionary who traveled all night in the bus to be with us so he could be trained.

George has started a group with 20 leaders and he hopes to have them ready to start their new groups in August.

Venancio started a group in his house and hope to work with other people from a Baptist church to start new groups in their area.

Leaving to Chile and Bolivia on April 15.

In Chile I'll be participating on their annual Leadership Retreat.

In Santa Cruz, Bolivia, I'll be training a new group who would like to study the Bible the CBS way.

Please pray for travel mercies and protection for me

For God's anointing in all those who will be teaching and training at the Chile's retreat

That God will bring the people He has prepared the hearts to be CBSI leaders in Santa Cruz.
